

February 2, 2024

Dear Parent/Guardian;

Our School Counselors visited history classes during the first week of February to review graduation requirements, share the upcoming course selection process and discuss post-high school planning.

Counselors will begin their individual meetings with juniors on March 1st. We welcome parents and guardians to attend this meeting so that we can work collaboratively and map out the best plan to meet your student's needs.

Please contact your student's counselor to set up a time that works for all parties. Due to the nature of the meetings, you can expect the meeting to last between 35-45 minutes. Appointments should be scheduled between 7:45 am and 2:30pm. You can access their calendars by clicking on the "Book Me" link as well as by email or phone at (845) 987-3050, Ext. 12600. For your reference, the counselors are listed below along with their calendar links, caseload and their email address.
