# National Honor Society

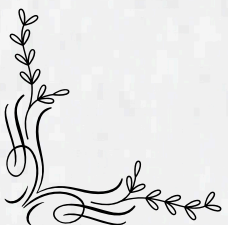

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. These characteristics have been associated with NHS membership since its beginning in 1921.

## **The National Honor Society Pledge**

I pledge to maintain high scholastic standing; to endeavor intelligently and courageously to be a leader; to give of myself freely in service to others, and to hold as fundamental and worthy an untarnished character. In so doing, I shall prove myself worthy of a place in the National Honor Society.

## **The Four Pillars of The National Honor Society**

Every NHS member demonstrates all the qualities of the Four Pillars of the National Honor Society ~ Scholarship ~ Service ~ Leadership ~ Character.
