

Summer Enrichment 2024

The Summer Enrichment Program offers children a unique opportunity to learn and have fun at the same time. Children will build upon skills as well as explore new interests.

This year, we will have two sessions, an a.m. and a p.m. The a.m. session will run from 9:30 - 11:30 and the p.m. session will run from 12:00 to 2:00. No lunch will be provided. If your child will be participating in both sessions, you will need to pick them up at 11:30 a.m. and return them at 12:00 p.m.

Please read through the class descriptions and call the Office of Curriculum and Instruction at 845-987-3000, Ext. 10526 if you have any questions. The Registration Form can be found on the last page of this brochure.

We look forward to having your child participate in our Summer Enrichment Program. Have a great summer, and thank you for your support.

Meghan McGourty
Assistant Superintendent for Curriculum & Instruction
